

Présentation du tableau des résultats définitifs de la représentativité syndicale par branche

Notice de lecture du tableau

Le tableau présente les résultats définitifs de la représentativité syndicale présentés en HCDS durant l'année 2017 et ayant donné lieu à la publication d'un arrêté fixant la liste des organisations syndicales reconnues représentatives dans les branches professionnelles.

Il présente, par branches professionnelles :

- * les organisations syndicales qui ont été reconnues représentatives ;
- * le poids de ces organisations pour l'appréciation de la validité des accords collectifs du travail.

Les dates de signature et de publication de l'arrêté au *Journal Officiel* ainsi que le numéro NOR sont mentionnés pour chaque branche professionnelle.
